As Pasco County's first and only entrepreneurship magnet school, Kirkland Ranch K-8 is looking for local area businesses to support and partner with our school to create strong community connections that will help our students embark upon their student journey. As a new school, we strive to make every student, parent, and faculty feel important and appreciated in the new community we are developing. Our school will provide many events throughout the year that support and encourage the family values we will strive to instill in our children: caring, kindness, and good citizenship.

Through business support and collaboration with our school, local business partnerships can assist us in our goal of providing our students with world-class experiences in world languages and entrepreneurship. We are excited to have the ability to aid in our students' academic growth and achievement.

### **What is a business partner?**

School/Business Partnerships are designed to encourage a cooperative relationship between a school and a business or organization. A partnership is an ongoing, dynamic relationship that must be mutually beneficial for the school and the business. Partners commit to the concept of a business and a school working together. Creativity and imagination can lead to very successful and mutually-beneficial partnerships. Business partnerships are willing to share their experience and knowledge with our staff and students to enhance their entrepreneurial experiences (presentations, collaborations, etc.).

### **What is a business sponsor?**

It's simple! Helping us achieve our goals by being a business sponsor with Kirkland Ranch K-8 provides you an opportunity to market your business while helping our school to be the BEST! This year we plan on hosting events free to our families in addition to providing needed classroom supplies, books, guest speakers, and special activities that will benefit all our children.

### **How do you become a business partner/sponsor?**

It couldn't be any easier. Take a moment to review the sponsorship levels and simply fill out the attached form. Please make your check or money order payable to: Kirkland Ranch K-8 Mail to: KRK8 c/o Carol Neumann 33137 Innovation Drive, Wesley Chapel, FL 33545.

If you have any questions or would like additional information, please contact Kimberly Mahoney, our Magnet School Coordinator, at [kpmahone@pasco.k12.fl.us](mailto:kpmahone@pasco.k12.fl.us).

We greatly appreciate your time and support!
